

FLIGHT SPECIAL II™

THE LIGHT AIRCRAFT TIRE YOU WOULDN'T DARE CALL A LIGHTWEIGHT.

Goodyear® Flight Special II™ is the economy tire for general aviation.

This popular replacement tire for light aircraft economizes on everything but quality. Value meets performance, landing after landing after landing. Robust construction and outstanding traction enhance tread life, meaning that what's special about the Flight Special II™ is that it is built to last.

- Every strand of the casing's nylon cord has been triple-tempered — with time, tension, and temperature.
- This helps to provide the ultimate in tire construction, uniformity, and strength.

BENEFITS

- 1 Improved traction
- 2 Uniform wear and extended service life
- 3 Excellent treadwear and cut resistance

FEATURES

- 1 Wide rib tread design and large footprint
- 2 Durable tread compound
- 3 Full tread depth
